## **About Us**

### **World Without Anger (WWA) - Nepal**

Registered in August 2007 under the Societies Registration Act of 1977, WWA is a non-governmental, non-profit organization established with a view to implementing emotional intelligence education for preventing the devastating effects of anger on individuals, their families, and their communities, and to contribute to the peace promotion in the world and Nepal, the birthplace of Lord Buddha. WWA has been affiliated with EQ4Peace Worldwide, Inc., USA. WWA works with local and international peace-promoters to create peace in a strategic and constructive way. WWA has been working to create an anger-free society, as Dr. Dean Van Leuven first presented in his book "Life Without Anger," in order to bring peace to the hearts, homes, societies, and nations of the world.

WWA provides emotional intelligence training to school and university students, communities, groups, government bodies, and other service organizations. The training aims at transforming negative emotions into positive ones in all aspects of our society. In the broader sense, it strives to spread the inclusive approach of Dr. Dean, in terms of teaching/learning, the principles of Emotional Literacy training in the world for the mission of building World Peace.

### **Global Peace Foundation (GPF) - Nepal**

The Global Peace Foundation (GPF) is an international non-sectarian, non-partisan, non-profit organization, which promotes an innovative, values-based approach to peace building, guided by the vision of One Family under God. GPF engages and organizes a global network of public and private-sector partners who develop community, national and regional peace-building models as the foundation for ethical and cohesive societies. The Global Peace Foundation affirms the importance of universally recognized principles and shared values as essential to building social cohesion within nations and the global community. GPF Nepal has been co-partnering with the WWA since 2010 in organizing international conferences on different themes related to global peace, EI, psychology, and behavioral sciences.

#### **EQ4Peace Worldwide, Inc., USA**

EQ4Peace is a USA-based international non-profit dedicated to bringing Peace to the world through Emotional Education (EQ). We believe that if enough people know how to create peace in their lives, inside and around them, global peace is attainable. Towards that end, their goal is to have a billion people practicing EQ by 2039, and everybody by 2050.

#### **Nepal Open University (NOU), Nepal**

Nepal Open University is a public university based on the distance learning mode in Nepal. It was established in 2016 through an act of Parliament. The degrees awarded by the university are recognised as equivalent to degrees awarded by any other Nepali University under the purview of the University Grants Commission. It offers academic programmes ranging from the Bachelor to the PhD levels in the three faculties: Faculty of Management & Law, Faculty of Education & Social Sciences and Faculty of Science, Health & Technology.

#### **Lumbini Buddhist University (LBU)**

Lumbini Buddhist University (LBU) was formally established in November 2006, with the approval of parliament as Lumbini Bauddha Vishwavidyalaya. LBU is an autonomous and public institution of higher learning committed with the mission to educate the people of Nepal and enrich the global learning community through the application of core Buddhist values and to promote the World Peace. Prof. Dr. Talasi Ram Vaidya was the first Vice-Chancellor of this University. LBU has a noble vision of promoting world peace, harmony, and prosperity through its teachings and research. It strives to achieve this by offering comprehensive education in various fields of Buddhist philosophy, literature, education, culture, and other subjects that facilitate the cultivation of precepts and human virtues such as peace, empathy, companion, and compassion.

#### **Quest International College**

Quest International College (QIC) was established in 2009 and is dedicated to providing quality management education, professional development skills, and capabilities to its students. It offers BBA, BHM, and MBA programs affiliated with Pokhara University, Nepal and City and Guilds, UK. QIC is a higher education institution located in Gwarko, Lalitpur, Nepal. QIC is an excellent learning environment with adequate facilities, modern infrastructure and a standard

academic atmosphere. It is an applied Management School targeted for aspirants who want to build enterprises on their own as well. It aims at producing future businessmen who can handle government and private organizations efficiently.

### **About Kathmandu and Nepal**

Nepal is the birthplace of Lord Buddha, the Champion of Peace. Lumbini is hallowed ground as Shakyamuni Buddha was born here in southern Nepal more than twenty-five hundred years ago. As a sacred birthplace, it is an important pilgrimage site for Buddhists from around the globe.

Kathmandu is the largest city (population: 1 million), the capital of Nepal, and the namesake of the Kathmandu Valley. The city is located in the northwestern part of Kathmandu Valley and it covers an area of 50.67 square kilometers. The city generally has a pleasant climate with comfortable warm days followed by cool mornings and nights. Kathmandu's Tribhuvan International Airport is the largest and only international airport in Nepal.

### **Nepal & Historical Places**

The city's rich history is nearly 2000 years old, as inferred from an inscription in the valley. The ancient and refined traditional culture in Kathmandu, for that matter in the whole of Nepal, is an uninterrupted and exceptional meeting of the Hindu and Buddhist ethos practiced by its highly religious people. It has also embraced in its fold the cultural diversity provided by other religions such as Jainism, Islam, and Christianity. People of other religious beliefs also live in Kathmandu giving it a cosmopolitan culture.

Kathmandu valley has been described as "An Enormous Treasure House of Art and Sculptures". These treasures are made of wood, stone, metal, and terracotta, and are found in profusion in various temples, shrines, Stupas, Gumbas (Gompas), Chaityas, Vihars, and palaces. Kathmandu is the best place to shop in Nepal for contemporary handicrafts, fashion clothing, great books, music or traditional souvenirs, and curios.
